

Get started with Eduis

If your school is a user of the **Eduis School Management Solution**, access to the application is possible via an Internet Browser by entering the following address portal.eduisonline.com.

Procedure for logging into the application:

- 1** Launch the application in an Internet Browser;
- 2** Enter the username and password, which you received from the School Administrator;
- 3** If you are logging into the application for the first time, define a new password after entering the submitted credentials;
- 4** Once you have defined a new password, click the SIGN IN button and you will get access to the application.

If your school uses the Eduis School Management Solution and you have not received access data, please contact your School Administrator.
